

Noémi Büchi

Born 1991 in Zürich, Switzerland

Noémi Büchi is a composer and sound artist currently based in Zürich, creating an electronic symphonic maximalism for the end of the world. Her music is defined by a delicate blend of electronic-orchestral condensations and textural rhythms. She invokes symphonic and electroacoustic landscapes, creating a music that is as visceral as emotionally charged.

Education

2021	Master of Electroacoustic Composition, ZHdK, Zürich
